

For over 10 years, Box Tops for Education has helped America's schools raise over \$200 million to buy the things they need. The Box Tops for Education program offers three easy ways to make a difference through everyday activities: buying groceries, shopping online and purchasing books.

You can help PCMS by signing up at the Box Tops website <http://www.boxtops4education.com>. You'll get updates on our school's Box Tops earnings, money-saving coupons, family-pleasing recipes, chances to win bonus Box Tops, the latest Box Tops news and much, much more. Best of all, it's absolutely free!

Bring your box tops to the PCMS front office and deposit them into the Box Tops for Education collection box. Each box top is worth ten cents for our school. We have almost 500 students in our school. If each child brings in 20 box tops, we will reach our goal for this year of earning \$1000! You can help PCMS even more by signing up at [boxtops4education.com](http://www.boxtops4education.com) and using this web site to make your online purchases.

**Box Tops Coordinator Update:**

Thank you to those of you who participated in our recent Box Tops 4 Education contest. You helped our school earn \$150 of free money in three short months! Even though the current contest is over, please continue to collect and submit box tops. There are collection bags in the CARES class rooms, as well as the front office. Our goal for the 2008-2009 school year is \$1000 which means we need to collect an average of 1200 box tops each month for the remaining months in our school year. Congratulations to CARES class Buchannon/Gurty for submitting the most box tops during the contest! You will win a pizza party during a future lunch hour

Thanks upfront for helping raise money for our school.
